NOTE ON BIRTH DATE: Elizabeth was 4 years old in the 1850 Census and 12 in the 1870. It seems likely that she was born around 1845 or 1846. (An entry in the Int. Genalogical Index states. "1848", but this contradicts the census entries.)

Cleo(patra) was not born until 1883. Presumably, they divorced around that time or possibly long before. Cleo may have had a different father. In the 1885 Florida State Census Elizabeth states that she is "divorced." In the 1880 Census Simeon is living in Point Washington, Washington Co., FL with his wife and children. (2) Edward Jernigan's parents' birth states transposed. (Names, etc. corrected on Ancestry's 1880 Census.)

NOTE: Inside an iron fence in the Milton, Santa Rosa Co., FL Cemetery are two Strickland graves:
1. "Elizabeth Strickland, 10 April 1840 - 13 Feb 1924." Is this Elizabeth Jernigan, 1st wife of Simeon, who supposedly died in 1898? The other grave is for a "J. L.
